II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because (explain):

The State of Ohio citizens and law enforcement are targets for the political, corrupt and criminal acts being exposed. They have been stealing funding for years, denying citizens their rights under Ohio laws, they together have become a domestic terrorist organization in power. They are denying civil rights and displacing people, taking their kids, changing records and illegally covering up their crimes

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed. Most recently They neglected to protect my daughter from harm, placed her with her abuser, she was terrified to leave, failed to conduct proper investigation and allegations of abuse. In violation of 18USC242, 18USC245, and 18USC246, they acted in gross negligence and in retaliation. I had her safe with me since the disclosure, until they had a court date, without my knowledge 10/29/2020. The police came to enforce the order to remover her and if I refused I would be arrested. GAL saying things that were not true, CPS covered up for the foster dad who sexually abused my son. They used their abuse of laws, powers and authority, illegally funling money for years.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

They have been doing things more outwardly recently and we have become targets after I made a request for funds due to trying to escape the corruption. He then took the report and told his friends in the corrupt system that I knew they were depriving Ohioans and myself freedom from human trafficking and Child sex trafficking through CPS, Lancaster Ohio for both of my children. I have almost 4 years clean and sober, but they have lied and used mental health in place of taknig my freedom of religion. They used their abuse of laws, powers and authority, when I started speaking up, to steal my daughter by court order or else arrest and give her to her sexually, physically, ehave nothing and no freedom. \$341 million to Mayor Gunther, but he is taking \$15 million away from

Pro Se 1 (Rev. 12/16) Complaint for a Civil Case

For the state citizens who suffered in the state of Ohio, I know we got 2.2Billion 4/2020. before doing a audit, All the CoVid funding back from DeWine and friends. 600 Billion from the Contract With Black America! To give back to Americans. Then ALL the funding The Clinton, Biden and Obama Families have received and or benefited from, including their presidential life long compensations! This is for the factual and provable, BILLIONS stolen from Haiti over the years, They along with Bill Gates, George Sorros, Jennifer Preston, Leah Gorsuch, and the list goes on. Ohio protects pedophiles more than they do children. I have been reporting corruption
